

**Delineation of the scope
for the exam in European Law for International Legal Studies (Module 5)
and recommended learning materials
(valid until further notice)**

I. Scope of exam

- Outline of the history of European integration
- Foundations of the EU and principles of EU law (in particular supra-nationality), competences, hierarchy of norms, fundamental rights
- EU institutions, basic features of the legislative process
- Enforcement of EU law by the European Commission and in the Member States (with a focus on Austria)
- Proceedings before the CJEU and the GC
- Internal market law – fundamental freedoms (no secondary legislation)
- EU competition law (no secondary legislation)
- Basic features of the Monetary Union
- Basic features of the Area of Freedom, Security and Justice
- Basic features of the Common Foreign and Security Policy

During the exam, each candidate will receive a copy of a judgment of the CJEU, the GC or an Austrian Court (possibly excerpts only) and 30 minutes time for preparation. Using the judgment as a starting point, Mr Wollmann will ask questions from the above scope. The exams have a duration of about 30 minutes. Two candidates are examined at the same time.

The examinations take place at the **premises of Schoenherr Attorneys at Law**, Schottenring 19, 1010 Vienna (directly opposite the Stock Exchange building).

II. Learning materials

- **Recommended textbooks (in their entirety)**
 - *Jaeger*, Introduction to European Union Law (Facultas, 1st ed. 2021)
 - *Foster*, EU Law (Oxford, 7th edition)
- Optional (further and complementary reading)
 - *Klamert*, EU-Recht (Manz, 3. Aufl. 2021; speziell zum Vollzug des Europarechts in Österreich)
 - *Craig/de Burca*, EU Law (Oxford, 7th edition)
