Inspection of examination records of the international law part

Due to the current situation (Covid-19 and Home-Office) it is not possible to inspect the examination records for the international law part in person.

However, it is possible to find out the achieved score or to receive the scanned exam following a request from your unet account via email to Brigitte.weidinger@univie.ac.at as of 10 January 2022.

As priority will be given to those who didn't pass the exam, there may be a delay in sending the other exams.

It will of course be possible to inspect the exams in the usual way in person as soon as the Covid-19 situation allows it.
